

WITH OUR BOYS IN SERVICE

Pfc. Frank Forrest has arrived home from the Aleutians after an absence of two years, three months. He used to be stationed at Truckee with the 53rd Infantry in 1942 and now is enjoying a 30-day furlough with his wife, Mrs. Marie Forrest, the former Marie Johnson at Kingvale.

Sgt. Oswald Schmidt, with a bomber squadron in England, is the proud possessor of an air medal, we are indirectly informed. When we learn the details we will give them to you.

Richard Carnell, son of the Floyd Carnells of Tahoe, recently called long distance from Oklahoma on the first anniversary of his entrance into the army. Dick, in special training has enjoyed swims in the Illinois river, cooling off after the hot days in the south. He plans to purchase a jeep for use after the war as he is now driving one and thinks they are just the thing for this region.

WAVE Azad Joseph, storekeeper's striker, now stationed in San Francisco, returned there after a visit with relatives and friends here and to commit a bad pun—he looked very striking in her uniform.

Pharmacist's Mate Angelo Basio with the Marines in the Pacific war theater, has a new address, but it is probably as far or farther from Truckee than it was. At any rate he is still out there doing his stuff.

Fayette McElroy, son of Mrs. Maud McElroy of Sacramento and former Truckee resident, is stationed with the Sea-Bees in New Guinea.

Ray G. Cavallo, Ph. M. 3/c left Tuesday evening by United Air Lines for New York City after spending 17 days leave at the home of his parents Mr. and Mrs. Sam G. Cavallo at Reno. Ray was born in Truckee and is a former resident of Hobart Mills. He attended Truckee high school and is widely known here. Ray came back to the United States after spending six months in England with a hospital unit and after taking part in the invasion of France in June. He will report to the Brooklyn Armed Guard Center for further assignment.

Willie Curran, formerly with the forest service here is now training with the infantry "deep in the heart of Texas. Fred White, formerly with the forest service at Sierraville and for the past year an accountant at McClelland Field is replacing Willie.

H & W Club News

(By Louise Geier)

On Sept. 8, the H and W Club of Meeks Bay held its regular business meeting. Following the meeting the evening was spent in dancing and playing cards.

On Saturday, Sept. 10 the club entertained at a sumptuous dinner party in honor of Mr. and Mrs. Charles Heller of San Rafael, former residents of Meeks Bay, and their many friends were on hand to give them a royal welcome. Mrs. Ray Frazier, Mrs. Jake Stuart, and Mrs. Phil Geier were in charge of arrangement. After dinner cards and dancing were enjoyed.

Mr. and Mrs. Heller are guests of Mr. and Mrs. Floyd Carnell. Friday evening, Sept. 15, Mr. and Mrs. Geier are entertaining the dinner for the Hellers and Carnells.

HEALTH MEN HERE TO CONDUCT SURVEY

J. F. Dieffenbacher, food and drug inspector and W. C. Strom, sanitary inspector for the state department of public health, were here this week inspecting restaurants and markets and making recommendations for close conformity with the sanitation act. They plan periodic inspection of the district they said.

TRUCKEE MEN AID AT SOUTHERN FIRE

Chester White, Tahoe Camp fireman and Clarence Nelson, Truckee suppression crew foreman, recently completed a week's detail to assist in handling crews in the suppression of a large brush fire in the Cleveland National Forest 50 miles east of San Diego, Forest Ranger H. I. Snider reports.

Ranger Snider plans to have two extra patrolmen employed in the Truckee area to assist during the deer hunting season.

THIEVES STEAL GAS STAMPS AT GARAGE

Using an iron bar, thieves sometime Monday night broke into the front door of the Coffey Garage on Bridge Street and took all the gas coupons collected that day. The theft was reported to Constable N. F. Dolley. The cash register had been opened but nothing aside from the gas coupons was missing.

Ralph Deebie, deputy county clerk, said servicemen's ballots were mailed September 8. He estimates that 500 will be required to fill the requests.

Many of those in armed services asking for ballots are not registered and with these ballots registration slips are being sent to be filled out and returned with the ballots.

SCHMIDT FETED ON 40 YEARS SERVICE: WILL LEAVE SOON

A. Schmidt who will move from Floriston to Emeryville this month after living at Floriston for the past 40 years was honored recently at a dinner given him by the Crown Willamette Paper Company when he was presented with a gift in appreciation of his 40 years of service.

The Schmidt family, which has been separated by the war, is well known in this vicinity where the children attended schools and grew into manhood and womanhood.

Schmidt was a trustee on the local high school board for many years.

T. B. TRUCK WILL GIVE SERVICE IN TRUCKEE DISTRICT

A free tuberculosis x-ray clinic truck will be stationed at a central location in Truckee on October 2 or 5 for chest examination for anyone interested, according to Miss Claire Slattery, field representative of the California Tubercular Association of San Francisco.

The films, which will be taken of each person wishing the service will be sent to San Francisco for a complete report of the individuals condition and the analysis will be sent to Dr. J. H. Bernard or the family doctor.

Christmas seals make this work possible. The exact date will be announced later.

PYTHIAN SISTERS TO HOLD FIRST MEET

The first meeting of Pythian Sisters of Summit Temple No. 79 following the summer recess, will be held tonight at Odd Fellows hall at 8 p.m.

Mrs. Violet Garner, district deputy grand chief, will make her official visit and plans will be made for the visit on September 23 of the grand chief.

KALER SPEARS AT ROTARY MEETING

Ed Kaler of Sacramento gave an enlightening talk on juvenile delinquency at the meeting of the Rotary Club Monday night. T. T. Buell, who presided, was the program chairman. Kaler has had much experience in juvenile delinquency and brought out many interesting facts.

Visiting Rotarians were Otto Fox of Auburn, P. Z. Gottardi of Loyaltown, J. Muldowney of Stockton. Other guests were Pvt. Bob Fox, Prof. S. Baroshian of Auburn and A. V. Bowers of Stockton.

WOMAN INJURED IN SUMMIT ACCIDENT

A woman, whose name was not immediately learned suffered injuries which necessitated her removal to a Reno hospital Tuesday night when a car registered to Don L. Rimbough, San Francisco got out of control and overturned near Kingvale. Traffic Officer Ken Kolb investigated.

WOMEN, CHILDREN ESCAPE IN CRASH

Two women and two children in a car driven by Mrs. Lucille Monroe of Aramas, escaped injuries Wednesday afternoon when the car, going east near Boca hit some loose gravel and overturned. The women were en route to Cheyenne. Accompanying the driver were her sister, Miss Betty Mahnke of Aramas and the Monroe children aged one and two years.

Traffic Officer Tom Sheehan made the investigation.

TWO MEN RECEIVE JAIL SENTENCES

Two men are serving 30 days each in the county jail because they failed to elave town when ordered but instead continued to violate the county sobriety ordinance. George Mannason, 47, was arrested by Constable N. F. Dolley for being drunk and using foul language and Earl Miller, 54, was arrested by Dolley and Deputy Frank Titus for creating a disturbance. Both were sentenced by Justice of the Peace C. E. Smith this week.

HIGH PRICED SHOES

Shoes—\$200,000 a pair. That's inflation. That's actually what you would pay today for a \$6 pair of shoes in Greece where inflation has run wild. In Greece, housewives are not reminded to check ceiling prices on their purchases—there are no ceiling prices—the sky's the limit. But here in America we have price control and it's up to us to keep it working.

75th Year, Number 32

Hunters Arriving For Deer Hunt Starting Saturday

Dixie Refuge Will Not Be Open this Year

Deer hunters who expected to try their luck in the Dixie Game Refuge in Lassen County will be disappointed to learn that in spite of early reports to the contrary, the refuge will not be opened this year. Game Warden Bill LaMarr received this official word from the division of fish and game this week.

Hunters began pouring into Truckee yesterday and today for the season's opening in this district Saturday morning.

The division of fish and game reports numerous deer in Placer, Nevada and Sierra Counties and the prospects are brighter than usual for limits.

Forest service officials warn that the underbrush and grass is powder dry and urge hunters to use extreme caution with fires. It was also indicated that hunters would be used in event of fire as suppression crews.

ROADS CLEARED OF LAST YEARS TREES

With the deer season about to open hunters who plan to go to the Truckee district of the Tahoe National Forest will be interested to know that if a pack trip is planned on the district all principal trails have been cleared of windfall logs that resulted from last winter's heavy windstorms. District Ranger H. I. Snider reports.

To give an idea of the task of the log clearing job, in one mile stretch back of Homewood at Lake Tahoe, 32 trees were cleared out of the trail to Ellis Peak, Snider said.

The value of the clearing work was demonstrated recently when Snider led a crew of 20 men on horseback into the Hellhole area to aid the El dorado Forest in suppressing a fire along the Rubicon river. Much of the travel was accomplished at night and the cleared trails aided greatly in the speeding up of the travel time.

Ranger Snider cautions that before going into the Truckee Ranger district hunters should check at the ranger station to determine whether campfires are permitted in the area in which they expect to camp, because some areas are closed to campfires.

LOCAL COURT HAS OVER \$500 IN FINES

Nevada County pay-ins for the month of August amounted to \$48,924.74 according to a report by County Treasurer Elma Hecker. Disbursements totaled \$71,401.80. Included in the pay-ins for the month was the sum of \$520 in court fines from the justice court of C. E. Smith, at Truckee.

CHANGES MADE IN FOREST PERSONNEL

War activities and the opening of the fall term of school have caused several changes in the fire crews on the Truckee district of the Tahoe National Forest and District Ranger H. I. Snider states the following fire guards have returned to school: Gene and Jerry Torvinen and Ernest Schwartz to Reno and Delbert Miller to Sacramento.

Fred White of Sierraville has replaced Willie Curran as Truckee dispatcher and Jack Eder has been transferred from the Truckee crew to the Brockway summit horse patrol to replace Delbert Miller.

A. R. Joslin retired Pacific Gas and Electric engineer, has assumed his duties on Maris Peak, replacing Calvin Parfait, who transferred to the Brockway fire guard position last month.

MOTORISTS WARNED TO SAVE RECORD

That slip of paper which came with your new A book is your mileage ration record and should be kept for making further application for gasoline. This warning, issued by the OPA is given to prevent destruction of the record by motorists. The new mileage ration record, which was or will be attached to the A book renewal application blank, takes the place of the old tire inspection record.

Mr. and Mrs. Charles Heller plan to return to San Rafael Sunday after visiting local friends.

Truckee Urged To Offer Plans For Future Jobs

Projects Will Be Financed Partly By State Appropriation

County Clerk R. N. McCormack called this week to urge Truckee agencies interested in participating in the proposed post-war construction program to submit tentative plans of their projects to Senator Jesse Mayo, Angels Camp, Calaveras county immediately, with a copy of the proposal to McCormack at Nevada City so that they can be included in the report of Senator Mayo's committee prior to October 1.

No representative from this area attended the meeting, McCormack said.

At the meeting Mayo, Senator J. L. Seawell and Senator Charles Brown presented the plan as proposed to the legislature and which will entail the expenditure of \$137,000,000. Of this local allotment for sites and blue prints will be \$40,000. Broken down into sums Grass Valley will receive \$8,152.06; Nevada City, \$3,496.18 and territory outside the limits of the incorporated areas including this area, \$15,925.18.

Since no official representative was present from Truckee, Mayo advised that the plans be prepared and submitted directly to him not later than October 1st.

Roads, grading, public buildings, parking lots, playground improvement water and sewer mains and other projects are eligible.

HEALTH MAN ASKS FOR CLEANER TOWN

Truckee is the first town in California and should be an example of cleanliness and beauty, instead of offering visitors an unkempt, trashy appearance, J. R. Dieffenbacher of the state board of health told the members of the Truckee Lions Club last night in an educational and interesting talk on his work. He was accompanied by W. C. Strom of the same state department.

STATE AGENCY AIDS UNEMPLOYED VETS

SACRAMENTO, Sept. 14.—Checks are being issued this week in the 78 offices of the California Department of Employment to veterans of World War II under the G. I. Bill, it was announced by James G. Bryant, chief of the division of public employment offices and benefit payments. Officially known as the Servicemen's Readjustment Act of 1944, the G. I. Bill was passed by congress in June and its provisions granting benefits to unemployed veterans became effective September 5, Bryant stated.

Servicemen's readjustment allowances of \$20 a week for total unemployment are provided from federal funds he said. Due to benefit payment facilities, the California Department of Employment has been designated as the agency for taking and paying claims under the unemployment provisions of the bill which provides up to 52 weeks of allowances for total or partial unemployment or self employment.

Allowances are available to veterans in continuous or intermittent weeks of unemployment occurring prior to two years after discharge or after the end of the war whichever is latest, Bryant said.

POMIN'S RESORT REPORTED SOLD AT TAHOE THIS WEEK

TAHOE CITY, Sept. 14.—Fred A. Kilner and Co. this week report one of the largest sales of the season in the Tahoe area. It was the purchase of the Pomin Resort property in the Tahoma district. Name of the new owners and more details were not immediately learned.

Erected in 1914 by the late Frank Pomin, the resort was operated by him until his death and then the family continued its operation, according to his expressed wishes. One of the most popular on the lake, it still enjoys the patronage of many families who return each season.

Also recently sold was the former Bullion cottage in the Sunnyside district. Purchasers were Mr. and Mrs. Percy F. Westerberg of Consumnes.

At Brunk Home—

Mr. and Mrs. Irwin Brunk of Flournoy are visiting their son, Charles Brunk, and family.

.: Sun :. Beams

by WALTER M. BARRETT

As difficult as it is to believe, it is certainly indicated very strongly that the various agencies in Truckee are not at all interested in sharing in the post-war construction program, cost of which will be shared by the state, federal government and local districts. No one from the numerous Truckee agencies including the schools, the sanitary board, the fire district, the utility district and others, appeared at the widely publicized hearing at Nevada City last week during which tentative plans for after the war projects were discussed and booked for future action by the senate interim committee. This far Truckee, as sorely needed as they are, has not listed a single project officially for post-war consideration. There is no doubt that after the war, when other communities are sharing in this work Truckee representatives will cry long and loudly that we are being neglected, that we are a lost community, that no one ever "gives" us anything. There is still time, for those interested. The tentative plans must be in the hands of the committee by October 1 and can still be included on the proposed blue-print and site schedule and we sincerely hope that at least sufficient interest can be developed to ask for what we certainly need in the way of improvement of local facilities.

Of all the thankless, abuse-taking tasks growing out of the war, we can think of none more important and at the same time more maligned than the war price and rationing board. Abused by the public because the later feel they are being deprived of rightfully deserved privileges, and abused by the salaried officials of the OPA because they are too generous, the ration boards are certainly "on the spot." Serving without pay and with only the self-satisfaction that they are doing one of the most important jobs of the war, ration board members, for the most part, are worn thin as they earnestly fight from all sides in an honest effort to keep down inflation and prevent unfairness, trying to see that everyone gets everything possible under the confusing reams of regulations.

If you are going deer hunting this week, be careful. Don't shoot until you know what you are shooting at.

REBEKAH LODGE HAS TWO NEW MEMBERS

Naomi Rebekah Lodge No. 2 initiated two members at the meeting Wednesday evening, Mrs. Della Burlingham and Miss Gail Welches Blessing. Following the ceremony, the members were invited to the home of Mrs. Winifred Kamp where a social time was enjoyed. Dolly Brunk presented several piano numbers and all joined in singing. Delicious refreshments were served.

GAS DEALERS ASKED TO TURN IN COUPONS

Gilbert McNeil, Sacramento district OPA director, today warned all gasoline distributors to turn in their "bingo sheets" of used gas stamps frequently so that an organized black market supply gang operating in the area will find nothing in their places of business are robbed.

Robberies or attempts to rob nine distributors in Sacramento and Stockton on Wednesday and Thursday have netted black market suppliers more than 20,000 gallons of genuine ration stamps, McNeil said. At the lowest current black market prices, these coupons have a potential value of \$4,000 or more.

Teacher Here—

Mrs. Jennie Watkins and son, Robert have spent the past week here. Mrs. Watkins will return to Sacramento soon as her school opens in North Sacramento September 18.

To Capital—

Mr. and Mrs. J. E. Kaler and daughter, Betty, who spent the summer here, will return to Sacramento within the next few days.

Visits Friends—

Mrs. Maude McElroy of Sacramento was visiting among friends here on Sunday and Monday. She is a former Truckee resident.

Leave for Oakland—

Mr. and Mrs. J. T. Joslin left their Truckee home for Oakland for the winter months.

Man Missing As Fire Destroys Summit Resort

Two Other Fires Cause S. P. Trouble Near Norden

Starting from as yet undetermined cause on the second floor, fire Monday afternoon completely demolished the House of Vandeford on Donner Summit, and may have caused the death of a Mexican railroad worker who was among the 80 or more occupants of the resort hotel and who was missing after the fire, according to Constable N. F. Dolley who made the investigation.

The fire caused an estimated loss of \$25,000 at the lodge. A summer home across the highway was also destroyed and the fire burned about a mile north through thick brush before controlled by the Southern Pacific fire train crews and forest service suppression crews.

Traffic over Highway 40 became a problem and two patrolmen, William Gautsche and K. C. Kolb were dispatched to the scene to prevent trouble until the flames subsided.

The home of George Backerick on the north side of the highway was lost with all its furnishings, but the Cline Coffee Shop adjoining Vandeford's was saved as were other near by structures.

The lodge was a three-story frame building owned by Mrs. Jesse Vandeford and leased to Morrison-Knudsen Company to house track workers on the Southern Pacific.

A forest fire in the American river canyon east of Midas Monday night threatened Southern Pacific section houses before a fire train crew from Colfax brought it under control.

Traffic over both lines of the Southern Pacific was halted for several hours last Friday when fire of unknown origin destroyed the high bridge, nine miles west of Norden.

The Federal Bureau of Investigation conducted an investigation of the fire which was discovered shortly after 2 p.m. Thursday by a bridge watchman. Although the frame of the bridge was of steel construction, the decking was made of wood and this was entirely destroyed. The bridge is 180 feet long.

Southern Pacific fire trains were called to combat the blaze and all trains were held at Colfax, Reno and Truckee until repairs were made.

70 ATTEND POT-LUCK DINNER GIVEN BY SCHOOL AT TAHOE

TAHOE CITY, Sept. 14.—Close to 70 persons attended the potluck beach party held Friday evening on the Tahoe Commons, sponsored by the children of the elementary grades of Tahoe Lake school. Misses Juanita Faulkner and Jean Frick who were in charge of preparing the supper offered a delicious menu which was enjoyed by youngsters and oldsters alike. Unfortunately permission could not be received from the Forest Service to build a campfire on the shore so that pleasure had to be omitted.

Following the repast there were songs by the juniors, a talk by Mrs. A. M. Henry on her work with the Red Cross in Oakland and a resume of her particular tasks by Miss Anita Willis, trained nurse employed by the Kaiser Company and songs with guitar accompaniment by Jay Maxwell. The weather was perfect and the wish was popular that another party can be held before the close of the term around September 23.

Earlier in the day the elementary classes and some of their parents went to Carnelian Bay where the Junior Red Cross members assembled to gather colored pebbles for mosaic work taught disabled servicemen.

MAN EXPIRES

Irvin R. Brubaker, 38, of Yuba City, died Monday at Norden where he was employed by a Southern Pacific extra gang. The body was brought to Truckee by N. F. Dolley.

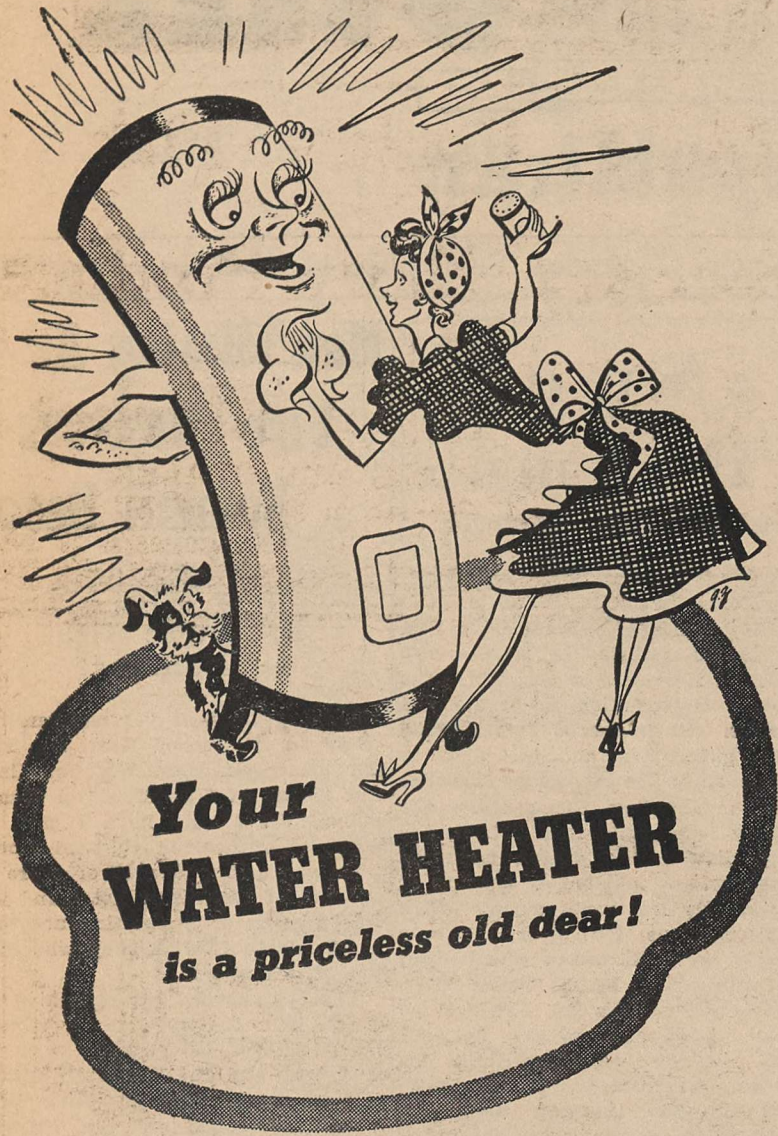

WOMEN'S GROUP MEETS

The Ladies Society of the Community Church met at the home of Mrs. Delbert Farley. After the devotional period led by Mrs. O. B. Richter and the work hour, refreshments were served.

Mrs. Myrtle Gallinger motored to Auburn Monday to attend teachers' institute for five days.

Mr. and Mrs. Harold Ambrosch who spent the summer at Meeks Bay left for Glendale Sunday.

Keep Pampering the Old Darling!

He's as comforting as old shoe...your dependable water heater? Normally he would be no worry. But you are doing more family washing and doing more "putting up" that means scalding jars and glasses... doing more floor scrubbing on your own hands and knees. That's all good and patriotic work, BUT... Your water heater is working harder delivering more hours of heating the gallons of water you are using in greater and greater amount. So, sort of pamper your water heater; won't you? This is how; do not waste hot water. Check leaking faucets. Open the drain valve on your heater every few months and run water into a bucket until clear of sediment. And when trouble seems serious, call a master plumber.

Lief Nielsen is enjoying the week end with his family at their home in Lake Forest.

Mrs. Jess Sisk of El Cerrito, whose husband passed away a week ago in the bay region, accompanied by her brother in law, Tom Sisk, arrived at Tahoe to spend a few days. While here she has been the guest of Mr. and Mrs. Henry Worden at Ward Creek. She returned home Tuesday.

Captain Hans Hansen of Rubicon Lodge entertained Thursday night a dinner for Mrs. Anderson and family of Meadow Park who were departing for their homes. Other guests were Mr. and Mrs. A. M. Henry of Tahoe.

Mr. and Mrs. William Lambert of Tahoe Park have sold their 240 acre ranch at Visalia and will spend the winter in Auburn where they have purchased a home.

An impromptu evening of entertainment was enjoyed Saturday at the Floyd Carnell home in town when Mr. and Mrs. Phil Geier and Mr. and Mrs. Lee Garner dropped in to welcome Mr. and Mrs. Charles Heller of San Rafael who are guests of the Carnells for ten days.

Sherwood Prusso and Rex Tollefson left Monday for a four-day fishing trip in the region of Vellmas Lakes. They took a pack horse along with provisions and a rubber boat with all the facilities for travel and angling.

Mr. and Mrs. Charles Krueger of Beverly Hills left for home following a visit at the home of their son in law and daughter, Mr. and Mrs. Floyd Carnell.

Among those who departed for their homes Sunday were Mr. and Mrs. Hall Ross of Sunnyside who returned to San Mateo; Mrs. J. F. Reedy and sister Miss Anna G. McDonald, who left for San Francisco; Mrs. Emil Kraft of Timberland who accompanied Judge and Mrs. C. C. McDonald back to Woodland and the G. Baldocchi family who returned to Antioch.

Mr. and Mrs. G. A. Kirk of Marysville who purchased the Merz home in Timberland, left Monday for home. Tax Collector Lou Kennedy and his wife of Oakland have closed their home in Sunnyside and returned to the city.

Mr. and Mrs. A. M. Anderson and Jack Starratt of the Village Store Thursday were hosts to 50 or more of their customers and friends at an impromptu cocktail party on the porch of their new home overlooking the lake, this being their annual custom at the close of the summer season.

Miss Anita Willis whose stepdad was foreman of the local highways 12 or more years ago was the guest of Mr. and Mrs. C. W. Vernon at Tahoe City for a week. She is superintendent of out patients and emergency at Kaiser's Permanente Hospital.

Mr. and Mrs. B. A. Peters and two children, Virginia and Dickie of Auburn visited at the Jake Stuart home in Lake Forest Sunday.

MISS ABLES FETED AT SURPRISE BIRTHDAY PARTY

TAHOE CITY, Sept. 14.— Highlighting the activities of the junior set in town last week was the 16th birthday party tendered Miss Shirley Ables whose mother, Mrs. Ruth Ables engineered a surprise party which was really a surprise. Invited guests gathered at the Carl Wheat home nearby and arrived en masse. The birthday cakes were baked by Mrs. Wheat, with ice cream accompaniment.

Those who shared the evening included Misses Peg E. Stuart, Pat Peters, Josephine Miles, Carol Duniavitz, Betty Wheat, June Hanna, Lela Swanson, and Dick Hinkle, Sherwood Prusso, Bob Stark, Eddie and Odell Arbon of Reno, Rex Tollefson, Pete Ables and the honoree.

Many lovely gifts were received by Miss Ables and an enjoyable time was reported. Shirley leaves September 16 to resume classes at Norte Dame Academy at Marysville.

NEW SUMMER SCHOOL MAY BE ESTABLISHED ON LAKE TAHOE BY METHODISTS

TAHOE CITY, Sept. 14.— Contrary to published reports, the resort property formerly known as the Bosse property in Lake Forest has not been sold to the Southern California Meth-

odists, but the lease has been.

The property is owned by William Sanford, Nevada attorney, who confirmed the sale of the lease last week. Rev. Jesse Rudkin of Placerville, a conference member, declared there is a possibility that the College of the Pacific may create a summer school there as soon as the buildings can be conditioned and others erected with the influx of approximately 300 persons each summer at their camp.

Miss Lillian Bosse of San Francisco formerly operated a girls' summer resort there but it has been closed for the past few years. This new venture should bring new life and more activity to Tahoe's business district and the Lake Forest area in general.

To a Machinist with "know how"

If you figure you know your stuff and want a chance to show it... want to work with men who take pride in their job... if you figure a permanent company is your kind of company, then this is your ad. Here at Southern Pacific we want men of your type to work in our big railroad shops or roundhouses... to help rebuild and repair locomotives and other railroad equipment. We think you'll like railroading... like seeing a locomotive (that you worked on) go out and do a job of pulling war freights or troop trains. And like the men you work with — the kind of fellows you'll want to drop around to the house. New, higher railroad wages. Liberal age limits. Medical service. Fine pension plan. Railroad pass privileges. All the things that make this a really good job.

The lake on Monday morning stood at 6226.82 with 471 CSF of water leaving the gates. Coldest morning of the week was Sept. 6 with 41 registered and that afternoon was the warmest with 82 degrees.

Mr. and Mrs. D. M. Brodehl of Tahoe City Friday received a rare surprise when their daughter, Mrs. Clifford Jones, accompanied by her husband and son, dropped in for a brief visit from their home in Texas.

TAHOE LETTER

To the Service Men
From SWANEE

Tahoe City, Calif.
September 10th

Dear Tahoeites:

Another Sunday and I have just returned from the surprise potluck dinner party given by members of the H and W Club at their Meeks Bay clubhouse in honor of Mr. and Mrs. Charlie Heller of San Rafael who are visiting at the home of Mr. and Mrs. Floy Carnell in Tahoe City. It was a lovely affair and the special dinner was most tasty. Close to 50 persons attended and extended greetings to the Hellers, who still remain members even though no longer residents of this region. Hostesses who arranged the surprise, which fairly flabbergasted the honorees who thought they were being taken out to a resort for dinner, were Mesdames Ray Frazier, Floyd Carnell and Jake Stuart. Dancing and cards consumed the after dinner hours.

Last week's mail brought a most welcome letter from our friend Fred Hughes who is now sojourning at Camp Swift, Texas. Fred had anticipated being in Louisiana long before this, but evidently the powers that be changed their minds. He's rather hoping the rumor to switch to Camp Hael develops as that takes him close to home and his folks and a few old fashioned luxuries you lads enjoyed before the ar. Maybe I shouldn't tell but Dannie Cupid has delivered a lucky shot to Fred's heart sometime during the past three years and when and if the war is over soon, don't be surprised if you hear of a wedding. Fred sends along his best regards to all his many friends at Tahoe.

I received another surprise letter last week when 18 year old June White, daughter of Mr. and Mrs. J. T. White of Stockton and Tahoe informed me that she is engaged. Her fiancé is Medical Student Allen Holt son of Mrs. Larry Higgins of Lodi and Erwin Holt of Ventura. Plans for their wedding are indefinite at this time as he is stationed at a camp in Oklahoma and both want to receive further schooling before their marry. June attended Tahoe schools for some years and graduated here. Local Tahoeites wish them lots of future luck—all good!

The Carlton Valentines underwent an unusual experience last Friday at their lodge near the Tavern when a car drew up and stopped and Captain and Mrs. W. H. Krock hurried over to them. Anxiously they inquired if they might have a cabin as a blessed event as anticipated at any moment. The Valentines, a bit taken aback, assented and hastened to comply when the Captain, a bit haltingly ventured: "Please don't misunder-

TELEPHONE COMPANY CONTRIBUTES \$85,000 TO NATIONAL WAR FUND

On behalf of The Pacific Telephone and Telegraph Company and its subsidiaries—Southern California Telephone Company and Bell Telephone Company of Nevada, N. R. Powley, president, announced this week:

"Our directors have approved a contribution of \$85,000 to the National War Fund, which amount is in addition to our Community Chest contributions, approximating \$50,000 annually. This latter amount will be contributed whether or not the Community Chest budgets are included in the War Chests of various communities.

Our contribution to the National War Fund, inclusive of our contribution to the Community Chests, will aggregate the sum of \$135,000. The National War Fund contribution of \$85,000 will be allocated consistent with the War Fund quotas applicable to the territory served by our companies. The Community Chest contributions will be made to the specific communities as our companies have done in the past."

stand, but my wife and I spent our honeymoon here with you folks and now our prize cocker spaniel, Bonnie is about to present us with her first litter of puppies and we are most anxious to make her comfortable." Being dog lovers themselves, the Valentines lost no time cutting down a box and preparing for Bonnie and within a short time she was the mother of seven squirming puppies. Their father is Sparnes Champion Bill Lightning, both parents having pedigrees longer than a soldier's dream of a furlough.

Lt. Dorvan Johnston, ex-Tahoe student and son of Mr. and Mrs. Charles Johnston of Walnut Creek who for many years were caretakers at the Stanley Dolair estate, is now stationed at Midland, Texas, teaching math to returned combat officers.

The Carl Wheats are about to hang another star in their lakeshore cottage as their son, James, leaves on Sept. 11 for Catalina where he will train six weeks before entering the U.S. Maritime service. He and his wife, who lived in San Bernardino have regretfully sold their home.

A distinguished visitor in Tahoe Park is Lt. C. G. Gordon of San Francisco, who is accompanied by his wife. He is just back from many months of active service in the South Pacific and brought back some interesting souvenirs. They are two rifles—one American, the other Japanese. The latter does not in any respect compare with our automatics, the Japs firing only one bullet after which the gun must be reloaded. Our boys have 11 shots to their one.

Enjoyed a cocktail one evening last week with our neighbors, the Frank Morgans of Glendale who are also new subscribers to the Sierra Sun. They are entertaining as their houseguests Dr. A. B. Ross, noted physician and surgeon of Los Angeles, who is accompanied by his wife, Dr. and Mrs. Ross have three sons in the service, the eldest, Flight Officer John W. Ross, a plane and glider pilot for two years, now stationed at Pope Field, North Carolina. The other two boys are 21 year old twins and are both corporals. They are Dick and Bartlett Ross, radio cadets in the air corps at Chanute Field, Illinois. Other members of the Morgan family at Ti-evol-i, the former Debenetti place, are their younger son, Douglas, just 18, waiting for a call into the Merchant Marines and Jack Crosson, an accomplished musician of Walnut Park, who will enter the navy October 15. The entire group reluctantly leaves for home Monday.

The Tahoe region is enjoying the finest weather of the summer season at this time and many are the heavy hearts among departing vacationists. Mornings and evenings are cool but the days are warm and breezy.

Next Saturday will mark the opening of the buck season and most of the men are awaiting the event with bated breath. Deer are reported to be plentiful and several have been hit by cars during the past week.

War news continues good, and the beginning of the end appears in sight with invasion of the Philippines believed imminent. May good luck, good health and good cheer be yours and God be with you always.

As ever, SWANEE.

Have a "Coke"—Put 'er there, old timer

...or greeting new pals in Ketchikan

In Alaska, just as here in the States, to say Have a "Coke" is to say Pal, we're right glad you're here, just as it does in your own home. In many lands around the globe, the pause that refreshes with ice-cold Coca-Cola has become a symbol of a friendly way of living.

Church Notes

CHRISTIAN SCIENCE

"Wilt thou set thine eyes upon that which is not? for riches certainly make themselves wings; they fly away as an eagle toward heaven." These words from Proverbs comprise the Golden Text to be used Sunday, September 17, in all Churches of Christ, Scientist, branches of the Mother Church, The First Church of Christ, Scientist, in Boston, Mass. The subject of the Lesson-Sermon will be "Matter."

BOYS INJURED IN TWO SEPARATE ACCIDENTS AT TAHOE DURING WEEK

TAHOE CITY, Sept. 14.—Two minor accidents occurred in town last week, neither with serious results. Thursday Beaver Nash, 12 year old son of Mr. and Mrs. Norris Nash of Berkeley who was vacationing at Tahoe Pines, narrowly missed severing the first finger of his right hand when he cut himself with an axe while chopping wood. His uncle, Richard Weyeneth and his brother, Gordon Nash rushed the boy to the office of Dr. Bernard at Truckee who saved the finger tip.

The second accident occurred in Tahoe City, Saturday evening when Bob Stark started up the truck he was driving to deliver a message. Four companions with whom he had been conversing jumped aboard after the car started, some standing, some sitting in the back of the truck. As Stark made a quick turn they lost their footing and fell, one boy, Odell Arbon of Reno receiving a bad gash over one eye and other bruises. The blow on his forehead rendered him unconscious for a time.

Patrolman Jack Thelan administered first aid and later Sherwood Prusso drove the injured boy to the office of Dr. Bernard for further treatment.

Other boys in the car were Eddie Arbon, Dick Hinkle and Pete Ables. Dick was the only one who was not injured slightly.

BLUE TOKEN WILL BE INVALID OCTOBER 1

Because of the removal from rationing of practically all canned and bottled vegetables, fruit spreads and specialties, OPA will discontinue the use of blue tokens for processed food October 1. After that date, processed foods still on rationing will have point values in multiples of 10 so stamps only may be used.

Clerk C. B. White said today that use of rep points for meats, canned

milk, cheese and canned fish will be continued mainly because it is impossible for butchers to cut meat to exact pounds.

Consumers may use their blue tokens just as they always have until September 17. Beginning then, retailers will not give blue tokens for "change." From September 17 thru September 30, shoppers will spend blue tokens in groups of ten only and may pool tokens with neighbors to make up units of ten. Tokens not used are invalid after September 30.

To a man who wants a better job

If a job means something more to you than just putting in time... if who you work for is as important as what you work for... then you are the man we'd like to talk to. Here at Southern Pacific there is a fine opening for you—and in the work of your choice. There are jobs for experienced machinists, carpenters, boilermakers—for craftsmen of all kinds. Jobs for semi- or unskilled men... and at many points, good clerical jobs. Remember, when Germany's finished, S.P. will have more work than ever... rolling the war westward in the Big Push against Japan. Whatever job you take at S.P. will be a vital job... and will have that interest and excitement to it that is always part of railroading. Good wages. Friendly people to work with. Railroad pass privileges. Fine pension plan. Medical services. A job with S.P. you'll find is a real job. Look into it now.

See or Write J. A. McKinnon, Asst. Superintendent, Sparks, or your nearest S. P. Agent.

Return Home—The L. W. Hills have closed their Brockway home to return to San Francisco.

Recovers—Mrs. Hazel Lewis returned from St. Mary's hospital at Reno having recovered from a recent illness.

Writes from Hospital—Frank Powell, who is in a Nevada

City hospital, writes that he is getting along fine and that Mrs. Powell who is also a patient there, is expected to return home soon.

From San Rafael—

At Home of Parents—Mr. and Mrs. C. B. White, Jr. and daughter are visiting at the home of the former's parents, Mr. and Mrs. C. B. White.
